John 6:51-58

We continue reading from the sixth chapter of the gospel of John, which interrupts our regular reading of Mark's gospel on the ordinary Sundays of Year B. This is an opportunity to reflect on the words of Jesus about the Bread of Life, and indeed about the mystery of the Eucharist.

In today's passage the focus is on eating the flesh of Jesus. The Eucharist has throughout the ages been a source of controversy and misunderstanding. Many people have echoed the question of the Jews in this passage: 'How can this man give us his flesh to eat?'

In speaking of his flesh and blood which he gives to us, Jesus is employing a metaphor for his very self. Just as he gave himself in bread and wine to the disciples as a sign of his coming gift of his life on the Cross, so whenever we celebrate the Eucharist we receive the real Jesus, his 'body, blood, soul and divinity', his full self, but in such a way that the real gift is hidden beneath the physical appearances of bread and wine.

Sharing in the Eucharist brings intimacy with Jesus: 'he lives in me and I live in him'. This intimacy is the pledge of eternal life. The ultimate focus is on the gift of life. As Jesus draws life from the Father, so we draw life from Jesus in the Eucharist. Fr Adrian Graffy

Our Journey in Faith - RCIA

This autumn our Pastoral Area will have its next course for those adults wishing to discover more about the Christian faith and what we believe and practise in the Catholic Church. In our meetings we reflect on Scripture, share questions about faith and explore the Sacramental encounter with our living Lord through the Church's teachings in our lives. For some the programme is a space to simply learn more about the Church, its teachings and the Sacraments. For others it serves as a preparation to be received into the Catholic Church and for some Catholics, a means of completing their sacramental journey

Please do let the office know of any parishioners who are now unable to come regularly to mass and who would like to receive Holy Communion in their home

Closer to Christ Campaign

This campaign is diocese wide and the funds raised will be ring fenced to provide for our priests, in training and support in ministry and in retirement. From this autumn our diocese will have 13 students in seminaries at a cost of (£400k) i.e. £30k per student. Sadly the annual collection produces only £28k.

As a parish we have taken for granted that when a priest moves we will have another. Fr.Zbigniew is our 20th PP in the 56 years of our parish. We are blessed with and reliant on active priests in retirement, Fr. Peter Codd is an outstanding example. All parishes have been given a target and so far most have reached or exceeded it. To date, we have only reached 60% of our £80k target. When we reach our target our parish can retain £26k to support our own initiatives. if you are able, please help us to reach our target. This can be done by donation, pledges over time and/or legacies.

Calling All Parishioners! Your Youth Group Needs You! The Youth of all ages are the future of our parish, but they're also present members of our church. Those of us that have been able to meet learned the challenges facing the Youth Group. The message was simple. We need more hands doing tasks to make the sessions happen. There are some fantastic ideas for how we can better engage the Youth members; day trips, BBQs, parties, sessions at the Waterside Centre in Newbury, visits to St Cassians, supporting mission work in the UK and abroad, fundraising, and many more... But we all need to get involved in some way as part of a team. Examples include helping to organise a trip, arranging food and drinks for a session, coordinate DBS checks or risk assessments for sessions and trips, helping publicise events, sourcing materials or planning some games... We need a core group of at least 10 of us to share the organisation, and a larger group of Helpers to make the sessions happen. Please can you let us know if you can support us. Contact ellenmclinch@gmail.com for more details.
